# AFTER HOURS

## @ THE STUDIO

### THE CONCEPT

Welcome to "After Hours" – a new music video series celebrating artistry in its most authentic form. Similar to 'Tiny Desk' but with our evening setting, After Hours offers artists a platform to perform in a more subdued atmosphere.

*"After Hours is about capturing those perfect moments when the world quiets down and the music speaks most truthfully."*

We're inviting talented artists to perform stripped-back versions of their work in our beautifully designed space. Our natural, cozy environment creates a warm, casual atmosphere where artists can relax and share their music in a more intimate context.

### THE OPPORTUNITY

We partner with artists, respecting your creative direction while providing expertise to enhance your performance. Our collaborative approach focuses on authentically representing your artistic talent through:

- Professional multi-camera video production
- Commercial home studio setup
- Audio tracking (if required)
- Full mixing and mastering covered

### HOW TO APPLY

We're currently accepting artists for our upcoming season. To apply, please email [afterhours@iamjkeung.com](mailto:afterhours@iamjkeung.com) with the following:

- Links to your music (Spotify, SoundCloud, Bandcamp)
- Artist bio and social media handles
- Description of your planned performance and instrumentation needs
- Your availability in the next three months

### WHAT TO EXPECT

Sessions typically run 2-3 hours, including setup, sound check, and multiple takes. Our production team handles all technical aspects, allowing you to focus entirely on your performance. We're committed to creating a relaxed yet professional environment where your music can truly shine.
